SEO & Digital Growth Specialist | Technical Search & AI Operations

Hands-on SEO professional specialized in aggressively scaling organic visibility, driving high-intent lead generation, and dominating SERPs. Proven expertise in Technical SEO architecture, advanced On-Page/Off-Page optimization, and deploying Intent-Based Content Strategies. Highly skilled in executing modern SEO toolstacks (SEMrush, Ahrefs, GA4, GSC) and adapting to next-gen search algorithms (AEO, GEO, AI-driven SEO) to resolve complex crawlability issues. A tactical, data-driven executor focused on building sustainable organic revenue pipelines and delivering rapid ROI for modern digital businesses.

Core Competencies & Technical Arsenal

- Advanced Search Methodologies: Technical SEO, Organic Growth Strategy, AEO, GEO, AIO, SXO, Intent-Based Content Strategy, Local Search Domination.
- SEO & AI Tools: SEMrush, Ahrefs, SpyFu, Ubersuggest, SEO PowerSuite, LongTail Pro, Raven Tools.
- Web, Analytics & Paid Search: Google Analytics (GA4), Google Web Tools, Google Ads (PPC), WordPress SEO, Joomla SEO, E-Commerce SEO, HTML5, JavaScript, CSS3, jQuery, PHP, MySQL.

WORK EXPERIENCE

HIRE VIRTUAL ASSISTANCE

12/2023 - Present

Senior SEO Specialist

Indore, India

- Engineered and executed advanced organic SEO strategies for diverse clients, dominating search engine results pages (SERPs) and achieving measurable ROI improvements.
- Successfully scaled organic online visibility and built robust lead generation pipelines for businesses in high-competition niches, specifically within the healthcare and fitness sectors.
- Deployed modern SEO tools (like Ahrefs and SEO PowerSuite) alongside AI-assisted workflows to accelerate technical site restructuring, conversion optimization, and trend-based digital growth initiatives.

Freelance

03/2020 - 06/2022

Independent SEO Consultant

Indore, India

- Spearheaded complex, independent technical SEO projects, focusing heavily on organic search optimization and advanced digital strategy development.
- Consulted with and successfully transitioned local offline businesses to aggressive, online-first search strategies during the pandemic, ensuring their survival and ongoing lead generation.

Global Prospect

04/2016 - 03/2020

Digital Marketing & SEO Executive

Indore, Madhya Pradesh

- **Multi-CMS SEO Execution:** Managed end-to-end Technical and On-Page SEO across diverse CMS architectures, successfully optimizing and ranking websites built on **WordPress, Shopify, Magento, Wix, and Squarespace**.
- **Advanced Keyword Mapping:** Conducted deep-dive keyword research utilizing **Google Keyword Planner**, SEMrush, and Ahrefs. Mapped high-intent, long-tail, and LSI keywords to targeted landing pages to capture bottom-of-the-funnel traffic.
- **Technical & Architecture Audits:** Executed comprehensive site restructuring and resolved platform-specific crawlability, indexation, and Core Web Vitals issues to ensure flawless search engine rendering.
- **Organic Growth & CRO:** Developed data-driven content strategies and executed Conversion Rate Optimization (CRO) tactics, significantly multiplying organic traffic and inbound B2B/B2C lead generation.

MasterKey USA – Hotel Internet Marketing
SEO Analyst

02/2015 - 04/2016
Vadodara, Gujarat

- **International Portfolio Management:** Directed organic search strategies for a portfolio of 18+ USA-based hotel properties, successfully ranking high-competition hospitality and local tourism keywords in the US market.
- **Organic Booking & Lead Generation:** Optimized property listings, room amenities content, and on-page architecture to drive direct organic bookings, reducing reliance on expensive third-party platforms (OTAs).
- **Algorithm-Driven Content Strategy:** Executed targeted content marketing initiatives and rapid on-page tactical shifts to capitalize on the latest Google Search algorithm updates, ensuring consistent traffic growth.
